Prof. Laurent Vanbever

Declaration of Originality — Reliable Transport Project

Group: 85

<u>Yannick Huber</u>	<u>16-917-619</u>
Student 1	Matriculation number
<u>Dario Boli</u>	<u>16-832-685</u>
Student 2	Matriculation number
<u>Dominik Schindler</u>	<u>09-916-123</u>
Student 3	Matriculation number

We hereby declare that the submitted project (code and report) is our own original work.

We confirm that we have read and understood the section on academic integrity in the project description and abode by it. Specifically, we, the above-mentioned group members, solely composed the report and the code without having taken any part from the work of others.

In the following, we list the main contributors for each task:

	Q4.1	Q4.2.1	Q4.2.2	Q4.3.1	Q4.3.2	Q4.4
Student 1						✓
Student 2						
Student 3	✓	✓	✓	✓	✓	✓

Furthermore, we confirm that we understand that our work may be electronically checked for plagiarism with automated tools.
